

REPRESENTATIVE DRIEHAUS WELCOMES HHS FUNDING FOR CHILDREN'S HOSPITAL

WASHINGTON, DC—Representative Steve Driehaus today welcomed an announcement by the U.S. Department of Health and Human Services of two awards totaling \$1,096,837 for Cincinnati Children's Medical Center to conduct mental health research.

"This is another smart investment in Cincinnati and our medical community. Children's Hospital conducts cutting-edge research, and this funding will provide the hospital with the resources they need to continue their important work," said Rep. Driehaus.

This funding will support two different projects. A project entitled, "Evaluation of an Intervention for Improving Community-Based Pediatric ADHD Care," will receive \$549,365 and will be under the direction of Jeff N. Epstein, PHD a Professor of Pediatrics at the University of Cincinnati College of Medicine. A second project entitled, "Treatment of Maternal Depression in Home Visitation: Mother and Child Impacts," will receive \$547,472 and will be under direction of Robert T. Ammerman, PHD.
